

**COMPLY WITH THE
VGPB'S SUPPLY POLICIES**

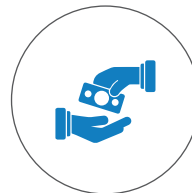

Procurement Management

The Victorian Government Purchasing Board (VGPB) has established policies for setting up and managing a procurement governance framework

These mandatory requirements cover the entire procurement process including:

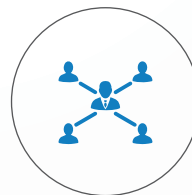

Planning procurement activity

Aggregated purchasing

Procurement capability & complexity assessment

Market engagement

Category analysis

Evaluation, negotiation, and selection

Market analysis

Contract management

4Links is a specialist procurement platform that enables you to quickly comply and manage VGPB policies. Our enterprise based technology, and automated supplier onboarding allow continuous connection with your supply chain, ensuring you achieve best practice procurement management and start lowering supply costs within weeks of implementation
